NATURE'S CATARRH CURE.

Sensible and Scientific way to Cure
This Disagreeable Disease.

Nearly everyone suffers at one time
or another with catarrh.

The natural way to cure this dis-
agreeable disease is by applying heat-
ing medications direct to the diseased
spot.

In no other way can this be done
as naturally as by the use of Hyomei,
breathed through the nose pocket in-
haler that comes with every outfit.

Put several drops of Hyomei in the
inhaler and then for a few minutes,
four or five times a day, let the air
you breathe come through it. In that
way all the air that enters the nasal
passages, the throat or the lungs, is
filled with Hyomei's healing medi-
cation, reaching the most remote air-
cells of the respiratory organs, de-
stroying all catarrhal germs and
soothing and healing the irritated
mucous membrane.

A few days' use of Hyomei will
show how quickly it relieves all cat-
arrhal conditions, and you will not
have to use it long before you find it
has effected a complete and lasting
cure.

So strong is City Drug Store's faith
in the power of Hyomei to cure cat-
arrhal troubles that with every dol-
lar outfit they give a guarantee to re-
fund the money unless the remedy
gives satisfaction. City Drug Store
take all the responsibility and you
cannot afford to suffer longer with
catarrh when an offer like this is
made to you.

Should extra bottles of Hyomei be
needed they can be obtained for 50c,
making this one of the most economi-
cal as well as the most reliable reme-
dies for catarrh that is known.

but with the distinct agreement and
understanding that the said original

the provisions thereof contained in
said deed of trust, both of such sales
to be for the purpose of collecting
the principal and accrued interest on

NOW THEREFORE, Notice is
hereby given that on the 7th day
of February, 1907 at 2 o'clock p. m., at
the United States Court House door
in the Town of Ardmore, Indian Ter-

highest bidder for cash, the person-

al property above described and if
the same shall not be sold for enough
to satisfy in full the amount then due
for principal and interest on said un-

diately after the sale of said personal
property, I will offer for sale to the
highest bidder for cash the real estate

collecting the balance then due on
said indebtedness, and at any such sale
I will make to the purchaser thereof
a proper conveyance in the name of
The Farmers' Gin Company, of the
property so sold; such sale of sales
will be continued, and if necessary

or a sufficient amount to pay in full

Telephone Subscribers, Notice.
We wish to announce that we are
transferring our lines to the new ex-
change and will render service with
as little interruption as possible, but
there will necessarily be a number
of telephones cut out temporarily
and as our switching facilities be-
tween the old and new systems are
limited, there will be more or less de-
lay. We therefore kindly ask our sub-
scribers to be as patient with the op-
erators as possible and to limit their
use of the telephones to actual busi-
ness requirements and not allow the
time of the operators to be taken up
by children and outsiders.
